Possible Concerts

Discussion was held on when to have the spring concerts in Hood River and in The Dalles. Tentative dates are May 4, 2018 in Hood River and May 6, 2018 in The Dalles.

Possible Fall concert will be held around Halloween 2018.

There is a possible concert in Goldendale in March 2018 for the Dr. Jim Ogden mission fundraiser. Barb Stout is liaison and will provide a more firm date in the near future.

Another possible concert will be with The Dalles High School Band. High School conductor Paul Viemeister wants the GWCB to play a combined concert with the high school musicians. Date would be late May 2018. Rick to follow up with Mr. Viemeister.

Rick has checked into numerous places to see if we could get donated space for band storage. No donated space is available.

New Business

The band needs temple blocks. Rick will send information to Betsy for purchase.
