### Gorge Winds Concert Band Board Meeting 09/13/2018

#### Board Members:

- Rick Cowart, President
- Doug Carr, Vice President
- Betsy Frazier, Treasurer
- Barb Hernandez, At-large
- Mike Nagle, At-large

Larry Loop, director

---

The meeting of the Gorge Winds Concert Band board convened at 6:01 pm at The Dalles High School, President Rick Cowart presiding.

MINUTES: (Approval of the minutes was delayed.)

FINANCIAL REPORT: Barb made a motion to accept the financial report presented. The motion was seconded and passed.

#### OLD BUSINESS:

- Insurance Update:  
Rick was quoted \$1058/year. This included \$1 million/person. Barb said she would check with the treasurer from Yakima Valley Community Band to see what they pay. She discovered that is very similar to what they pay. Rick was also told that home owners' insurance should help with our situation.
- Library Movement Update:  
This has been accomplished. Larry is working on sorting the music to make it more accessible to him.
- Civic Proposal Update:  
After much discussion and investigation, Gorge Winds Concert band decided not to play the proposed December concert. The Civic does not help promote us, expects one half of our door money, and no acoustic back drop to help our sound.

#### NEW BUSINESS:

- Taking Music Home:  
Larry brought up that he is concerned over people getting the music back to rehearsals when absent. Asked if he hands out originals, he said no. Some band members are taking home

a whole section of music instead of just their own part and not returning those pieces until the end of the season. He then does not have what he needs when new people come into band. He is going to announce to returning parts any individual doesn't need.

- Spooktacular Preparations:

Betsy is fixing the wording and time on the posters. Shari's restaurant is donating pies for raffling. Larry suggests getting bags of candy at the \$ store, for giving out to children at the concert. Doug announced that Hattenhauer will give donations to raffle as well. Hattenhauer may sponsor the Christmas concert. They will allow the band to park the trailer there.

There being no further business, the meeting adjourned at 6:31 pm.
